1. What improvements should the NSW Government consider making to the existing Private Native Forestry Codes of Practice?: educate the licence holders to properly care for the land and enviroment

Please indicate which code/s you are referring to: Northern NSW Code of Practice

2. Do you have any suggestions to ensure the Private Native Forestry regulatory settings are efficient, enforceable and effective?: I think that right to harvest trees in a sustainable way on my own property is a good thing,I have'nt yet been able to do this but in the near future i hope to make a dwelling on the property I think the laws and restrictions involved in PNF are in the interests of the community and the natural environment

3. How can the NSW Government improve the authorisation and approval system for Private Native Forestry?: Greater oversight of all instances of forestry and development in sensitive ares

4. What training and advice services would assist landholders, industry and the community?: some TAFE courses would be a great advantage and enable the recipients to pass on the knowledge gained

5. Do you have any other comments or feedback relevant to Private Native Forestry that you would like to share with us?:
